

Welcome to Fifth Grade!

We are so excited to see you ...and get to know you next year!

Here are the supplies you will need to be successful next year.

"If you are unable to find or provide school supplies for your child, please let your child's teacher know on the first day of school. We receive many donated supplies and will help any way we can." Some supplies will be for class use, and some will be yours personally!

- *1 container of Elmer's white glue
 - * at least 2 glue sticks
- * 1 package of college ruled lined paper
 - *2 boxes of tissues
 - *at least 2 highlighters
- *1 package of large EXPO dry erase markers
- *1 THREE subject spiral bound notebook
 - * at least fifty pencils
- *1 two-inch three ring binder
- *3 two pocket folders that can go into the binder (has three holes)
- *1 pencil bag that can go into the three ring binder (has three holes)
 - * 1 box of colored pencils

In fifth grade, you switch classrooms and teachers for each subject. You will see all three teachers everyday. This is a big change from previous grades! Since we are moving around a lot, you need to become very organized with your materials. Your binder will travel with you to your classes each day, and hold supplies needed for your classes! It will be your best friend in fifth grade!

(more info on back!)

From Mr Pierce: Math Teacher

cpierce@candorcs.org

Please practice your multiplication and division facts over the summer months. Mastering them is imperative to your success in fifth grade math! Here are some sites that make practicing fun! Also, please find your Xtra Math login info enclosed. Try it out!

From Ms Kovalovsky: Science/Social Studies Teacher **lkovalovsky@candorcs.org**

Welcome to 5th grade! I am looking forward to another year full of history projects and science labs! Many of the activities we do in my class involves creative thinking. Get a head start by having your child go on <http://pbskids.org/designsquad/>. Students can create accounts for free to create, invent, and become inspired with many different science and STEM activities. Enjoy! Please reach out if you have any questions over the summer!

P.S. I will no longer be Ms Kovalovsky next year. I am getting married this summer and will be Mrs. Taylor in the fall!

From Mrs. Kelsey: ELA Teacher

akelsey@candorcs.org

Enjoy your summer! Also, please log onto classroom.google.com and use the code below that is next to your homeroom teacher's name. (make sure that you already signed into your google account with your initial and last name and @candorcs.org) This is your ELA Online Classroom. I will periodically be posting videos and/or questions for you to check out throughout the summer! If you can't do that, no worries! It is just a cool way for me to communicate with you a little bit before we meet in the fall!

Questions? Send me an email!

Google Classroom Homeroom Teacher Codes

Kelsey: **xgzazt**

Pierce: **b3p40e**

Taylor (Kovalovsky): **dnt47qb**

***** Also...we have sent home a Fourth Grade into Fifth Grade Summer Packet! Wait...summer homework?? Yes! It is simply to review and keep skills sharp. If you turn it in during the first week of school you will be entered into several raffles with the chance to win prizes such as Target gift cards, slime kits, art supplies and MORE!!! Do a little bit every day....no big deal!!**

Have a safe and fun summer!
